THE COUNTRY SAGE SAYS
After you sift through all the propanda about listing, remember these facts. OPEN LISTINGS are the best bet for any owner.
***
OPEN LISTINGS pay the person who does the job whether its the owner, Strout Realty or another agency.
***
OPEN LISTINGS are the type Strout prefers and uses just about all of the time.
***
OPEN LISTINGS are fully advertised and worked by Strout and should be worked by all Real Estate Agents who take them.
We get paid when we sell something and only when we sell something, so it would be foolish for us or anyone not to work a listing just because it was an OPEN LISTINGS.
Multiple listing organizations are nice but why do that when you can give an OPEN LISTING to all the Brokers in the given geographical region and then pay the one who does the job!
Remember, Strout wants your OPEN LISTING and Strout is not afraid to say:
NO SALE! NO PAY!

Lula Goodman Martin
(Mrs. Otho Martin, Sr.)
In sad but loving remembrance of our dear mother, who departed this life one year ago, June 27, 1979.
Today recalls sad memories of a loved one gone to rest,
For those who think of her today,
are those who loved her best
More and more each day
we miss her;
friends may think the wound is healed,
But only the Lord knows the sorrow lies within our hearts concealed.
Consecrated to God and sweet in her ways,
A beautiful character to the end of her days.
A loving mother good and kind;
What a beautiful memory she left behind.
Gone, but will never be forgotten.
By her devoted children.
